Education

● Secondary Level(+2)

Capital College and Research Center

2018 - 2020

Balauhari, Koteshwar

● Bachelor in CSIT

Texas International College

2021 - Present

Mitrapark, Chabahil

Language Proficiency

English

Nepali

Hindi

Experience

● Frontend Projects

I have worked on developing a comprehensive food delivery website with a user-friendly payment UI using REACT JS.

Made some clones of popular websites like Amazon and YouTube using HTML AND CSS

Made a basic Text Converter web app inspired from Case Converter using REACT JS.

● UI/UX & GRAPHICS DESIGN

Basic understanding of UI/UX and design using tools like Figma, Illustrator, and Photoshop.

Familiar with design thinking methods. Excited to gain more experience through practical projects.

SKILLS

HTML

CSS

JAVASCRIPT
